

# 15 ASTM D 226 TYPE I “Authentic” Asphalt Saturated Organic Felt

A **GREEN** Roofing Product

GMC 15 ASTM D 226 TYPE I FELT is an industry leading, superior quality “authentic” asphalt saturated organic felt underlayment. Manufactured to the highest specifications.

## Certifications

ASTM D 226, Type I

## USES

GMC 15 ASTM D 226 TYPE I authentic asphalt saturated organic felt underlayment is used as a **breathable** secondary weather resistant barrier when applied over the deck prior to the installation of the primary roofing product. Ideal for use with asphalt shingles.

## Product Data

ECO-FRIENDLY COMPANY

Manufactured with **Recycled** paper 

## Features and Benefits

- **Reliable** Proven technology, successful on millions of structures for over a century.
- **Compatible** Approved and recommended for use in asphalt single applications.
- **Versatile** Manufactured to perform in all climate conditions and all types of structures.
- **Easy to apply** No special fasteners required. (Note: Plastic cap nails help seal around nail holes.)
- **Cost effective** Convenient roll size, **400 sq. ft. coverage with salvage edge**, minimizes job loss and excessive waste.
- **Recognized** #1 choice of roofing professionals and trade organizations.
- **Required** Specified for use by architects, building code officials and primary roofing manufacturers.  
**Note: (Approved underlayment is required to validate warranty on most all roofing systems.)**
- **Permeable** Breathable membrane to help prevent dry rot, mold and other structural damages.
- **Walk-able** Natural non skid surface ideal for steep slope roofing.
- **Durable** Remains viable even after prolonged exposure. Use two layers on roof slopes less than 3 by 12 pitch.
- **Eco-friendly** **Organic** dry felt is made from **100% post consumer recycled material** and domestic asphalt from a local source. Note: (Leed points may be available)
- **USA Owned and Operated** Jobs for local residents, good for the economy. GMC is a proud supporter of several national and local charities.

**Width:** 39 3/8 Inches  
**Coverage:** 432 Sq. Ft  
**Also available** 324 Sq FT Roll  
**Packaging:** 25 Rolls per Pallet  
34 Pallets per Truckload
