**Subject: Update on California Proposition 65 Warning on Labels**

All our roofing and building paper products manufactured with asphalt have a CA Proposition 65 warning label due to a chemical know the state of California as a cancer-causing substance. That chemical is Petroleum Asphalt CAS No. 8052-42-4. Asphalt is also called Bitumen. (no CAS No. Listed for Bitumen)  
Bitumen is on the list as extracts of steam-refined and air refined asphalt

<b>Listed as causing:</b>	Cancer
<b>Date of Listing:</b>	01/01/1990
<b>Basis for Listing:</b>	AB-IARC
